

2008 Formula SAE Roll-Out

Saturday, April 19th
WWU PAC Mainstage
3:00-4:30pm *Free*

Come see the unveiling of the latest creation from the Western Washington University **Vehicle Research Institute**, named *Viking 43*.

This year's Formula SAE car is a huge leap forward, featuring advanced new materials, electronic control systems, and an all-new powertrain.

Keynote speakers include **Michael Seal** and **Eric Leonhardt** of the Vehicle Research Institute, and **John Bucknell** of General Motors.

To reserve seats, please RSVP:
John Furtado, Team Captain
