Sponsorships

Tech Stomp gives the technology sector in NW Washington an opportunity to support future leaders and contributors. Tech Stomp scholarships have helped dozens of students pursue education paths to their careers in technology.

TARGETED SPONSORSHIPS FOR MEDIA, BOCCE BALL, & CHUCKANUT RIDGE WINERY AVAILABLE

It Makes A Big Difference

The TAG Tech Stomp scholarships are micro-investments with macro impacts. We've heard over and over from past recipients "You wouldn't believe how much this helped me." We work directly with the key educators at regional technology programs to identify recipients. The graduating workforce is the backbone of the future economy in the region - and projections show far too few graduates in science, math and technology fields. Tech Stomp celebrates what we've accomplished in the local technology & engineering economy, and helps ensure more to celebrate in the future.

\$100 TABLE SPONSORSHIPS ALSO AVAILABLE
