

TAG Scholarship Fund 2006

Our scholarship program supports the mission of TAG to promote, educate and advocate for the Northwest Washington technology businesses. The number of high tech businesses in the area is growing and subsequently the demand for qualified workers in technology professions. Our goal is to encourage students to consider computer and Internet related studies in their academic endeavors.

Scholarships are awarded to students at Bellingham Technical College, Western Washington University and Whatcom Community College and others based on the funds raised each year.

Your investment in this important work would be greatly appreciated.

Yes, I wish to contribute the following:

- o \$25
- o \$50
- o \$100
- o \$200
- o \$500

o Indicate if you would like a tax receipt mailed back to you.

Please make your check to "TAG" note "TAG Scholarship" in the memo line. Mail to: Tom Lenderman, Larson Gross, PLLC., P.O. Box 336 Bellingham, WA 98227.

Thank you for your support.

Paul Grey
Chair
