

Technology Alliance Group
for Northwest Washington

▶ Connecting Technology Leaders in Northwest Washington

TAG, the Technology Alliance Group for Northwest Washington was founded in 1999 to serve technology companies in Whatcom, Skagit, Island and San Juan counties. Our mission is to promote, educate, and advocate for technology businesses and IT professionals in Northwest Washington.

TAG membership offers:

- Networking and Educational opportunities
- Monthly meetings
- Special Interest Groups (SIGs)
- Annual events
- Advocacy
- Purchasing cooperative
- Industry knowledge-base

TAG is affiliated with the WSA - Washington's technology association, the largest state-wide association of technology companies and executives with more than 1,000 member companies. As a TAG member you enjoy dual membership with the WSA.

Join TAG, the leading technology group in Northwest Washington today! Sign up at tagnw.org or contact us at 360-647-4220.
