360-647-4220 or email
technight@tagnw.org to
reserve your space today!

Due to the tremendous positive response from last year's TechNight attendees and exhibitors we are hosting another Bellingham TechNight again in 2008. We invite you to join us for the second local technology career fair to be held on May 20 between 6:00PM and 9:00PM. We encourage you to register as soon as possible as space is limited.

There are two different levels of participation:

- 8 foot table - \$450 (\$350 if you are a TAG industry or IT department member) Apart from a larger display area the exhibit will also be located in an area with higher foot traffic of the event space
- 6 foot table - \$300 (\$250 if you are a TAG industry or IT department member)

As an employer you will:

- Meet hundreds of highly qualified candidates for job and internship opportunities.
- Expand your network amongst your peers in the local technology sector.
- Benefit from publicity and promotions related to the career fair. Your company name will be listed on the Bellingham TechNight and TAG website for a year, plus on event posters and flyers.

Also includes:

- Company signage at the event and company information in the event program
- Refreshments (coffee, sweet treats and fruit) available for exhibitors as well as job seekers
- Includes a giveaway for job seekers. If you like to donate an item let us know!

Promotion of this event will be targeted to candidates in information technology related fields. Candidates will be invited through print and online advertising, press releases, social media channels, partner organizations including local colleges to reach the most uniquely talented professionals possible.

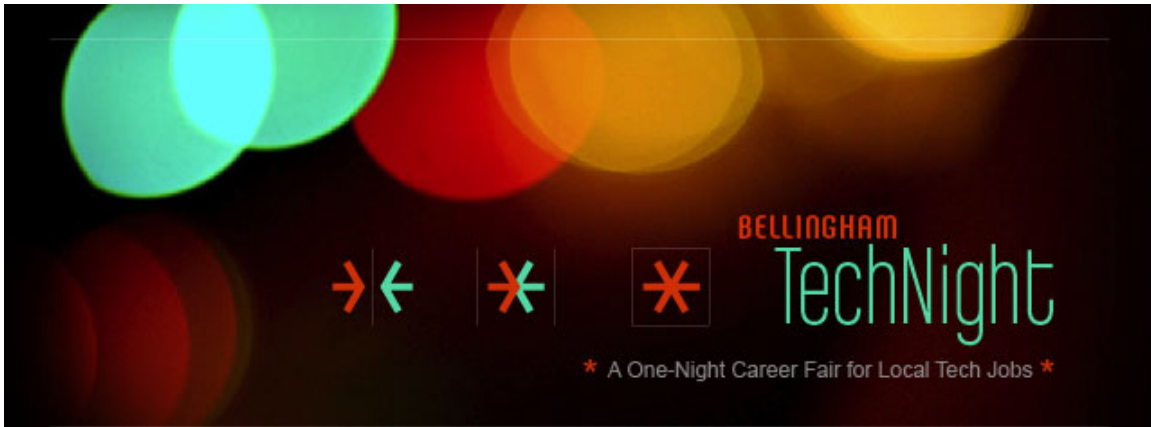

Booth spaces are limited so please sign up as soon as possible.
